We are looking to expand the Bank at Oxford University Hospitals. We would like to hear from registered nurses, who want to work for a forward thinking Trust, focused on delivering compassionate care.

Working for us, you can work from one shift per month to full time hours, we have shifts available to accommodate and we pay weekly! In addition to this, you can also accrue holiday and contribute to our NHSP Stakeholder Pension Scheme.

NHS Professionals is the leading provider of managed flexible workforce services to the NHS with circa 50,000 general and specialist nurses, doctors, midwives, allied health professionals, administrative and other healthcare professionals signed to its bank; placing more than 1.5 million shifts a year, recruiting over 600 full-screened and vetted flexible workers a month, and providing high quality workers to over 80 NHS trusts across England.

The post holder should be able to:

- To be responsible for the care of assigned patients and to manage, direct and evaluate their care
- Develop and maintain specialist knowledge of nursing practice, relevant to the clinical area
- Involve and encourage the patients family and friends to be actively involved in the caring process
- Communicate effectively to the Patient, relatives, carers and colleagues
- Provide high standards of nursing care, reflecting the beliefs of professional nursing practice and patient care
- Escalate as required, reporting any incidents/accidents are recorded using the appropriate method
- Complete and maintain accurate patient care records on the electronic patient management system
- Conduct themselves in a professional manner at all times
- Develop the skills to provide senior nurse cover, if required

In order to apply for a post you **must** have a minimum of 6 months experience in a similar role held within the last 2 years and hold NMC Registered Nurse (RN1) qualification.

In return for your hard work and your professional, caring and reliable service you will have access to the following benefits:

- competitive, weekly pay
- access to the NHSP Stakeholder Pension
- paid annual leave, statutory maternity and paternity pay (subject to qualifying criteria)
- training and development opportunities
- A flexible way of working
- Access to 24 hour service centre and online booking portal
- First choice of available bank shifts

Please note that you will be contacted via email throughout the recruitment process, so please check your emails regularly.

We regret we cannot contact everyone who is not selected for an interview, therefore if you do not hear from us within 21 days after submitting your application, please assume you have not been successful on this occasion.

**Registration with NHS Professionals is subject to employment history and reference checking and offers of registration are therefore conditional upon the receipt of satisfactory references**
